GH-FLY

FLY BAR GH-FLY PER GH12/GH412

The **Fly Bar for GH12 / GH412** is an accessory designed to **hang** or **suspend** the **GH12** or **GH412** speakers in professional environments such as concerts, live events, or permanent installations. Made of **stainless steel**, it ensures a sturdy and secure mounting solution. The **black color** makes it discreet and easily integrates into the visual setting of the environment.

GH-FLY
