CLASSIC CELLULOID, TORTOISE SHELL, 351 SHAPE, THIN, 144 COUNT

Experience the classic feel of Fender no matter what guitar or bass you play. Fender picks provide comfort and high-performance flexibility for every performer, with a variety of sizes, shapes and thicknesses to suit the playing styles and preferences of every guitarist.

Celluloid is a premier pick material and the cornerstone of the Fender pick collection for decades. Celluloid picks give the traditional feel and a warm, round musical tone.
