DEKO-P256B

# PAIR OF 2.5” FULL RANGE WALL MOUNT PROJECTORS (BLACK)

Nowadays, small to medium-sized installations increasingly require maximum discretion and a refined look, even where the speakers are barely visible. This understanding is behind the creation of the HELVIA Deko-P256 series wall-mounted speakers.

These are high-performance projectors with a 2.5" full-range woofer. Program power is 25W @ 8ohm.

The housing - available in white or black - has a highly stylized design and is made of high-quality plastic. The wall-mounting bracket (included) is vertically adjustable and, since it has a round base, can be mounted by tilting it horizontally as needed. The bracket's structure is also made of high-quality plastic and allows the cable to be hidden, making it completely invisible.

# PAIR OF 2.5” FULL RANGE WALL MOUNT PROJECTORS (BLACK)

## PRODUCT DETAILS

### KEY FEATURES

- Stylish design for minimal visual impact
- High quality materials
- 2.5” Full-Range Cone Woofer
- 25W Program Power @ 8ohm
- 70V/100V Built-in Line Transformer with 2 Taps and 8ohm function

### SPECIFICATIONS

| | |
|---|---|
| Full-range Wall-mount Sound Projector | |
| **Power (RMS / Program @ 8ohm)** | 10W / 25W |
| **Woofer** | 2.5" full range |
| **Frequency Response** | 150Hz-20kHz |
| **Sensitivity (1W@1m)** | 84dB |
| **Transformer tapping @ 70V** | 3W – 1.5W – 25W@8? |
| **Transformer tapping @ 100V** | 6W - 3W – 25W@8? |
| **Housing** | UV-Resistant ABS |
| **Grille** | Aluminum Grille |
| **Color** | Black |
| **Accessories** | Wall-mount (included) |
| **Projector Dimension (ØWxH)** | 96 x 139 mm (3.78 x 5.47 in) |
