CD-CASE CD-MK3 XT - BLACK

With the MK3 version of the established Zomo CD Case the cover has been mounted to be taken off if needed for better and space-saving placement at the DJ set! The CDs/ DVDs need to be sorted in horizontal for better and easier search for your best disc. The 2 middle dividing walls are fixed in the case that nothing can slip away and all is stored securely! With the included keys the snap locks can be shut and safe your CDs before unauthorized access.
