CDJ-TOUR 1 NSE - FLIGHTCASE PIONEER CDJ-TOUR 1

The Zomo CDJ Tour-1 NSE is an ultra-solid, professional flight case for top professional DJs and rental companies. This case has been designed to fit Pioneer's CDJ Tour-1 CD player to provide complete protection against external damage. The robust construction offers the ultimate protection in all positions, whether on stage or during transport. The high-quality 9mm thick laminated plywood panels make the NSE Cases extremely stable and insensitive to scratches and other damage during use. The solid aluminium profiles and ball corners are also painted black and almost indestructible. In addition, the case has a comfortable carrying handle and can be quickly closed with two butterfly fasteners.
