PROTECT KP - SLEEVE KORG KAOSS PAD - BLACK

The Zomo Protect KP neoprene protective cover is perfectly adapted to the Korg KP3. Protect KP is inexpensive but still of high quality and is an extremely practical way to protect the sensitive device from dust, scratches and other damage. The Zomo Protect protective covers are made of elastic neoprene and can easily be put over the device by means of the robust zipper. Especially during transport but also during storage, the protective cover offers optimum protection. All Protect sleeves are available in attractive colours.
