STUDIO DESK MILANO - WHITE

The Zomo Studio Desk Milano is a professional work table for studio recordings with an extendable work surface for keyboards. This workstation meets all the requirements the professional DJ/producer places on studio furniture. It combines modern design and high-quality workmanship with maximum practicability. The Studio Desk Milano offers with 12 U (3x4 U) a lot of rack space for 19 inch devices, e.g. equalizers, preamps. Two additional shelves offer enough space for studio monitors, computer screens, keyboard, mouse, mixer, and much more. The table also has an extendable shelf for equipment (keyboards, mixers) up to approx. 145 cm wide.
