FENDER™ TWEED WALL CLOCK

Time never looked so cool. The Fender™ Tweed Clock brings the legendary vibe of our vintage amps straight to your wall. Wrapped in the same classic Tweed fabric that made Fender amps iconic, this clock is all about style, soul, and rock 'n' roll heritage. If it’s hanging in your jam room, studio, or living space, this piece blends vintage cool with modern function. It’s more than just a clock—it’s a nod to the golden age of tone.
