RIDER-PRO-RSH v2 VW

DOUBLE CUTAWAY ELECTRIC GUITAR WITH 2 SINGLE COILS + SPLITTABLE HUMBUCKER AND SELF-LOCKING TUNERS (WILKINSON EQUIPPED)

RIDER PRO series upgrades to v2! Lighter and more resonant with its **alder top**, RIDER PRO is now equipped with a **2-point tremolo Wilkinson bridge**. Still featuring the original **Wilkinson pick ups** (2 single coils + 1 splittable HB) and the hi-quality **self locking machines heads** and the meticolous set-up, the RIDER PRO v2 is a super classic revisited with even more quality and character.
