

MZ528

COMPACT AND ELEGANT DIGITAL DRUM WITH A MESH 10" SNARE DRUM AND THREE 8" MESH TOM

The MZ528 digital drum is equipped with all the new MEDELI drum sounds in order to give a super natural and realistic listening sensation.

Regardless of playing rolled-type hits or pad hits and, thanks to dynamics recognition, the MZ528 digital drum kit allows you to appreciate the delicate nuances and natural sounds, replicating the unique characteristics of an acoustic drum.

With a compact and stylish design, this digital drum kit is the perfect learning partner and is adaptable to any furniture.

The MZ528 digital drum kit is equipped with an incredible DBT (Double Bass Trigger) function that makes it easy to achieve double bass technique. You can adjust the activation interval according to your performance.

The Smart Coach feature allows you to try out the three coach modes with dozens of common beat exercises and track your progress with the Smart Score feature.

The USB MIDI output allows easy connection to a computer or other smart device such as the iPad (a Camera Kit is required).
