MILESTONE PRO-VSB

# ARCH TOP CUTAWAY ELECTRIC GUITAR WITH 2 HUMBUCKERS AND SET-IN NECK

Milestone-PRO means further steps along the road that made blues and rock true legend. Solid arch top body, together with powerful humbuckers provide the feeling and the tone everybody has learnt to love, while set-in neck adds infinite sustain to your chords and solos.The 3-way switch and 2 volume/2 tone independent pots offer great sound flexibility. A perfect choice for blues, rock and rawer music.
