

STILE 350H CARDIOID GOOSENECK MICROPHONE – 35CM LENGTH, BLACK

STILE 350H Mini-shotgun **Cardioid** Microphone deliver high-level performance, control, and flexibility for meetings and conferences.

Its high-quality cartridge with cardioid polar pattern delivers good control in difficult acoustic conditions. The result is **superior voice capture** and **lower pickup of room noise** compared to other standard cardioid goose-neck microphones.

The **bend at bottom** allows precise placement in meetings and conferences.
