FENDER® TRANSITION LOGO PATCH HAT, BLACK/STONE ONE SIZE

The Fender® Transition Logo refers to a period in Fender's history during the mid-1960s when we transitioned from using the "spaghetti" logo, which featured a cursive font, to a block letter logo. This transition occurred around 1964-1965. It's a significant part of Fender's branding evolution and is recognizable to musicians and fans of the brand worldwide. Step back in time with your new Fender® Transition Logo Patch Hat. Perfect for traveling to and from your gigs!
