CLASSIC SERIES WOOD CASE - STRAT®/TELE®, BLACKOUT

The Blackout Classic Series wood case is a stylish and dependable way to protect your Fender® electric guitar. Every part of this case has been blacked out, from the hardware to the threading to the Fender amp logo on the side. Crafted with road-reliable materials, this 3-ply hardshell wood case boasts a vinyl wrapped steel carry handle and draw latches in addition to triple chrome-plated hardware throughout the case. A soft crushed acrylic plush interior lining ensures your guitar remains scratch and damage-free, while a spacious accessory compartment offers plenty of room for spare strings, picks, tuners—or whatever small items you wish to carry with you—with lasting style and peace of mind.
