

## MK61 ELECTRONIC KEYBOARD

The Medeli keyboard lineup is enriched with the MK61 which is a perfect mix of convenience and functionality for music enthusiasts who are new to the world of keyboards but are looking for a value-packed instrument.

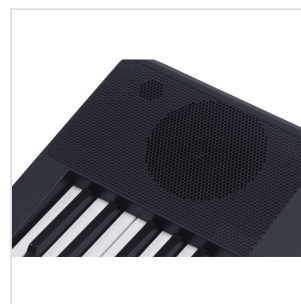

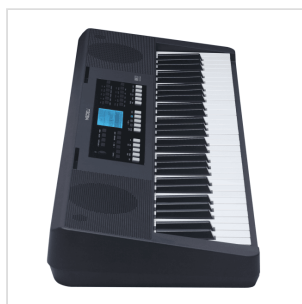

With its 61 touch-sensitive keys, the MK61 offers a tactile feel ensuring immersive and dynamic experiences while playing.

The MK61 keyboard is equipped with an impressive range of 450 sounds and 150 styles.

Its dual 12cm speakers deliver a fuller and richer sound, ensuring that every note and chord is heard in clear and detailed quality.

A distinctive feature of the MK61 keyboard is its Dynamic Acoustic System (D.A.S.) which is a sophisticated sound quality optimization function that adapts the volume to human hearing, ensuring that the master output is always at its best.

This innovative system allows musicians to experience the true depth and nuance of their music, with the option to turn this function off for those who prefer their sound unaltered.
