ZOMO FLIGHTCASE T-PLX-CRSS12 NSE

0030103448

If you're a DJ on the lookout for the optimal solution for **storing and transporting** your Pioneer DJ PLX-CRSS12 DJ turntable, then we have just the right thing for you: The Zomo Flightcase T-PLX-CRSS12 NSE. This flightcase has been specially designed for your turntable and is not only a means to an end but also a statement in terms of protection, design, and quality.

The robustness of this flightcase is impressive. Designed to withstand the challenges of DJ life, it offers exceptional **resilience** against the daily rigors DJs often face. Whether on the road, in the air, or on the stage, with the Zomo Flightcase T-PLX-CRSS12 NSE, you can be sure your turntable is **optimally protected**.

Thanks to the **laminated 9mm plywood** of the deep black NSE edition, the case is not only resistant to scratches and shocks but also looks stunning. Wide, black-painted aluminum profiles and sturdy ball corners not only provide additional stability to the case but also complete the appealing design.

The **high-quality interior padding** prevents your record player from slipping and protects it from damage and scratches. It's designed to withstand even the roughest conditions and provides the protection your device deserves. The Zomo Flightcase is equipped with **butterfly latches** that are not only reliable but also allow for quick opening and locking of the case.

The overall package is rounded off by convenient **carry handles** and a **detachable lid** that ensures maximum handling comfort. And while it's the ultimate protective cover for your Pioneer DJ PLX-CRSS12, it's worth mentioning that the case itself is a true eye-catcher that truly elevates any set in the dark, black NSE edition.
