

SP4200

88 KEYS STAGE PIANO WITH 600 VOICES AND HAMMER ACTION KEYBED

SP-4000 digital piano has been conceived to offer sound and touch of an acoustic piano. Featuring an hammer action keyboard, it offers over 600 voices and 230 accompaniment styles with quick selection buttons. Furthermore, you can create your own style and save it or you can use the advanced editing functions, adding effects o connect the piano with other devices or PC through the MIDI and USB connections. SP-4000 is full featured and extremely versatile, suited for all musical styles thanks to large number of voices and 128 notes polyphony. Perfect both for home use and piano bar/live gigs. Wooden stands with multifuncti pedals is available separately.
