LS-10 LAPTOP STAND - BLACK

The evolutionary Zomo LS-10 is the advancement of the Zomo LS-1. The Easy-2-Mount Laptop Stand LS-10 is assembled or dismantled completely within a few seconds. You gain boundless mobility with the Zomo LS-10 Stand due to its ingenious folding technique without fixing any bolt. This Stand is appreciated especially for mobile use. There is no need for additional tools anymore. The LS-10 offers 2-level storage. The tilted plane of the high level is adjustable to your individual need and local conditions. Besides the angle, the height is adjustable simply without tools by opening only four screws. Adapt the position of the shelf to your needs and fix the screws as easy as you opened. Keep flexible and fast! The Zomo LS-10 laptop stand can be clipped easily on desktops or set on top of your DJ booth or set down under your DJ equipment like mixer, turntable, ect. In addition the Zomo LS-10 is delivered in a high quality Neoprene transport and protection bag. Sheer genius and totally cool! It's ZOMO!!
