P-400 - PRO STAND PIONEER CDJ-400

The Zomo Pro Stand P-400 fits to the Pioneer CD-Player CDJ-400 . The P-400 is the best way to place your CD-Player directly above a mixer or turntable. The deposition fits exactly to the Pioneer CDJ-400 to avoid slippery. It can also be arranged in height and horizontal angle. The deposition is also changeable, which makes you flexible to exchange your player for a new one. It's easy to install the Zomo P-400. It can be placed on any table just by using four screws. If you are in possession of the optional available base plate, you can also fix the Pro Stand by placing the base plate under the CD-Player. Anyway, you will never have to bore to fix your equipment. Sheer genius and totally cool! It's Zomo!
