351 SHAPE CHECKER MEDIUM 12-PACK

Express your unique fashion and style while experiencing the classic feel of Fender no matter what guitar or bass you play. Fender picks provide comfort and high-performance flexibility for every performer, with a variety of thicknesses to suit any player's style and preferences. Choose from the skate punk styling of the Checkerboard, the black and white stripes of the Zebra or the colorful arrays of the Rainbow

Celluloid is a premium pick material and is the cornerstone of the Fender picks collection. Celluloid picks have traditional playing feel and a warm, round musical tone. The traditional 351 shapes—our most popular pick design—is the perfect accessory for players of all styles and techniques. Available in various thicknesses.
