DDP-80 PLUS DIGITAL PIANO 88-KEY PROGRESSIVE WEIGHTED KEYBOARD

HIGHLIGHTS

GRAND PIANO AND ACOUSTIC PIANO: IS ALL ABOUT REALISM

The 88-key progressively weighted keyboard brings you the real feel of a grand piano, while the French high-quality DREAM sound source faithfully replicates the voice of an acoustic piano.

MINIMALIST AND ELEGANT DESIGN

Minimalist beauty spotting sophisticated craftsmanship, designed with care and attention to details. The classic minimalist wood grain appearance complements any modern house style.

DDP-80 PLUS DIGITAL PIANO 88-KEY PROGRESSIVE WEIGHTED KEYBOARD

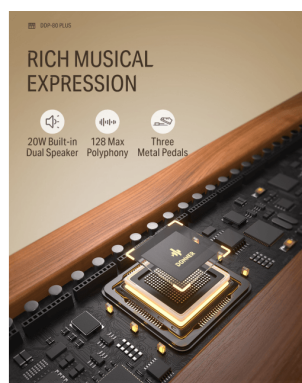

METAL EXPRESSIONS PEDALS

A more sensitive musical expression is delivered by the 3-unit metal pedals in the style of a Grand Piano.

RICH MUSICAL EXPRESSION

20W built-in dual speakers, 128 Max polyphony and 3 metal expression pedals in Grand piano style: the possibilities for expression are unlimited.

ECO FRIENDLY 'LAYER BY LAYER' PROCESS

The DDP-80 Plus body is made of high-density wood, and the wooden finish is made of environment-friendly plates that are safe, odorless and pollution free.
