PURE VINTAGE '73 STRATOCASTER PICKUP SET

Pure Vintage '73 Stratocaster® pickups capture the early 70's Strat® tones used by rock, funk, fusion and prog players around the world. A curated trio of pickups that bring high level of clarity and transparency with a reverse wound middle pickup to reduce 60-cycle hum. From vintage bobbin construction to genuine original-era cloth wiring, all Fender Pure Vintage pickups are wound to precise specifications for authentic, traditional Fender tone and performance.
