0030102683

The Zomo NS6 Plus NSE is more than just a good looking case. It's an professional multifunctional case, that offers professional quality! This equipmentcase is especially designed for the Numark NS6 to ensure your equipment is fixed during travelling. The case is absolutely great and protects your equipment from scratches and any other kind of damage. The Zomo NS6 Plus NSE is a compact case with a slidable deposition for a laptop or interface, that can easily be pulled out. The clever design will make it easy for you to arrange your workspace in just a few seconds. You will love to go on tour with this case, knowing that it will protect your expensive equipment from damage and unauthorized access. The Zomo NS6 Plus NSE is made of 9 mm plywood, which perdures that the flightcase looks great for a long time. The extra-wide aluminum profiles and the solid ball edges, which are coated in black, stabilize the Zomo Flightcase, too. The surface of the case is very resistant to abrasion and cigarette burns. Sheer genius and totally cool! It´s Zomo! ** The illustrated or mentioned devices are not included in delivery. They are available separately in our shop.
