EXP COATED NICKEL ROUND WOUND BASS GUITAR SINGLE STRING, .095

D'Addario EXPs are the most natural-sounding, longest-lasting coated strings available. EXP Coated Technology starts with the highest quality wrap wire materials, precision drawn and micro coated on our advanced proprietary machinery. Strings are then wound normally, delivering tone and feel identical to D'Addario's world renowned XL line of bass strings, with a minimum of 4 times more life. You won't believe they are coated! EXPXLB095 is a .095 gauge EXP Nickel-plated round wound bass guitar string. Perfect as a replacement string or for creating custom sets. Part of the D'Addario EXP Nickel Round Wound string series.
