NS6 NSE - FLIGHTCASE NUMARK NS6

Suitable for the Numark NS6 Zomo presents a modern and very robust equipmentcase, the Zomo NS6 NSE. This Case is another product from the famous Night Style Edition. The Zomo NS6 NSE is specially designed for the NS6 DJ-Controller by Numark. The device can't get out of position, thus a safe transport of your controller is guaranteed. The case is absolutely great for travelling and protects your mixer from scratches and any other kind of damage. The Zomo NS6 Plus NSE is made of 9 mm plywood, which assures that the flightcase looks great for a long time. The extra-wide aluminum profiles and the solid ball edges, which are coated in black, stabilize the Zomo Flightcase, too. The surface of the case is very resistant to abrasion and cigarette burns. Sheer genius and totally cool! It's Zomo!
