FLIGHTCASE VC-3 XT - SILVER

"The Zomo VC-3 XT is a high-end transportation case that many DJs have been waiting for. It is the perfect Case to transport an AKAI APC-40 Controller. The robust and stylish case made out of aluminium is lined with high quality foam on the inside. This protects your DJ-Equipment during transportation from any kind of damage. The Zomo VC-3 XT Case is divided into three parts, so that you have room for an up to 17" Apple MacBook Pro Laptop as well. The element in the middle can be used to stow away cables and additional equipment. The VC-3 XT has a comfortable handle and shoulder strap making transportation as easy as possible. It's simply fun to work with the Case! Sheer genius and totally cool! It's Zomo! The devices shown or mentioned are not included in the scope of delivery. These are available separately in our shop."
