DECK STAND ACRYL-FRONT - RGB CONTROL

The optional Zomo Deck Stand Acryl-Front panel – RGB-Control includes an integrated LED rail and a RGB connection cable - you simply connect it to the main RGB Control, which is available as an optional accessory at our store. This panel is made from high quality clear acrylic and can be mounted on a Zomo Deck Stand Miami or Berlin**. It delivers a stunning, colorful visual effect for your Deck Stand. The front panel is very stable, easy to install and a real eye-catcher. ** The illustrated or mentioned devices (Zomo Deck Stand Berlin and Zomo Laptop-Tray Acryl) are not included in delivery. They are available in our shop.
