## **VS-BOX 7/200 - BLACK**

The Zomo VS-Box 7/200 is a practical way to store your vinyl in a stylish and efficient way. The Zomo Box is made of solid MDF (Medium Density Fibreboard) and laminated with tough water-repellent decor. This model is easy to install, multiple stackable and can be combined with other VS-Boxes. The Box is also compatible to vinyls in protection covers. The capacity can vary by the thickness of your vinyl.
