NUMARK DJ-BAG LPX-2 - CAMOUFLAGE

The second version of the successful Numark DJ-Bag is produced in cooperation with Zomo and combines the quality and innovation force of both brands. This perfect Union has created a bag which is nearly perfect and ideal for people who need a huge trolley bag with a maximum space for your records. With the Numark Trolley LPX-2 it´s possible to transport about 90 records in a very comfortable way and in combination with the Numark LTX-2 approximatelly 190 vinyls! Even like the Numark LTX-2, the DJ bag has a 2,5 cm Inside foam, 3 huge outside pockets and an exenting front. With the massive shoulder strap and the comfortablee handle you can transport the LTX-2 very easily !
