EYEGLOSS CASE - JAZZMASTER®/JAGUAR®

Travel back in time with this modern interpretation of Fender's iconic eyeglass case. Modeled after the case that came with Jazzmaster® and Jaguar® guitars in the mid-1960's, this case features modern appointments – constructed with a tough ABS outer shell and covered in a stunning textured faux cowhide print with gold hardware for vintage appeal. A soft crushed acrylic plush interior lining ensures your guitar remains scratch and damage-free while a double-door compartment provides ample space for accessories.
