

CREAM-30R

30W ELECTRIC GUITAR VINTAGE COMBO WITH REVERB

SOUNDSATION presents its new CREAM series, a new array of solid state amps bringing you that unforgettable vintage feel and tone. Available in 3 versions (10W, 15W, 30W) with different features and specifications. Cream-30R is the most powerful and better equipped combo of the series: featuring 2 footswitchable channels, reverb, and phone out for silent practicing, is the perfect choice for beginners and for advanced players who need a vintage style and well equipped 30W amp within reach.
