P-DDJ-SX PLUS NSE - FLIGHTCASE PIONEER DDJ-SX

0030102865

The Zomo Flightcase P-DDJ-SX Plus NSE (NSE = NIGHT STYLE EDITION) is exactly suitable and developed for the Pioneer MIDI-Controller DDJ-SX. In addition, there is an extra notebook shelf included for your notebook, your mouse and any other devices like an effect processor or an interface. The board is movable on rails. So you can push or pull it easily. You can transport your notebook safe and secure by using the hook-and-loop fasteners to fix it on the shelf. With this Zomo NSE Flightcase you can not only transport your complete set up easily but also start to control your devices immediately. The Zomo P-DDJ-SX Plus NSE is extremely robust and protects the Pioneer DDJ-SX against scratches, dust and other damages. Each NSE case is made of 9 mm plywood, which perdures that the flightcase looks great for long time. The extra-wide aluminum profiles and the solid ball edges are coated in black and these stabilize the Zomo Flightcase Set, too. The surface of the housing is very resistant to abrasion and cigarette burns. This Zomo Equipment Case P-DDJ-SX Plus NSE provides real professional quality and is good looking in modern black NSE style! Sheer genius and totally cool! It's Zomo! ** The illustrated or mentioned devices are not included. Those are available separately in our shop.
