CS-BOX 100 - ZEBRANO

The CS-Box 100 is a practical CD storage box from Zomo, which is an inexpensive, shapely and extremely robust way of archiving and systematically organizing the beloved CDs. The Zomo CS-Box 100 is made of solid MDF boards and laminated with resistant, water-repellent decor. The model is easy to assemble, stackable and can be combined individually with other CS-Boxes. The box is also suitable for CDs with protective covers. The capacity may vary depending on the thickness of the CDs.
