PROTECT DN - SLEEVE DENON DN-S SERIES - BLACK

Zomo Protect neoprene protective covers are an inexpensive but nevertheless high-quality and extremely practical way to protect expensive and sensitive devices against dust, scratches and other damages. The Zomo Protect protective covers are made of elastic neoprene and can easily be put over the devices by means of the robust zipper. Especially during transport but also during storage, the beloved devices are now optimally protected. All Protect sleeves are available in attractive colours.
