MZ520

COMPACT AND ELEGANT DIGITAL DRUM WITH A MESH 8" SNARE DRUM AND THREE 7,5" TOM

MZ520

The MZ520 digital drum is equipped with all the new MEDELI drum sounds in order to give a super natural and realistic listening sensation.

Regardless of playing rolled-type hits or pad hits and, thanks to dynamics recognition, the MZ520 digital drum kit allows you to appreciate the delicate nuances and natural sounds, replicating the unique characteristics of an acoustic drum.

With a compact and stylish design, this digital drum kit is the perfect learning partner and is adaptable to any furniture.

The MZ520 digital drum kit is equipped with an incredible DBT (Double Bass Trigger) function that makes it easy to achieve double bass technique. You can adjust the activation interval according to your performance.

The Smart Coach feature allows you to try out the three coach modes with dozens of common beat exercises and track your progress with the Smart Score feature.

The USB MIDI output allows easy connection to a computer or other smart device such as the iPad (Camera Kit is required).

HIGHLIGHTS

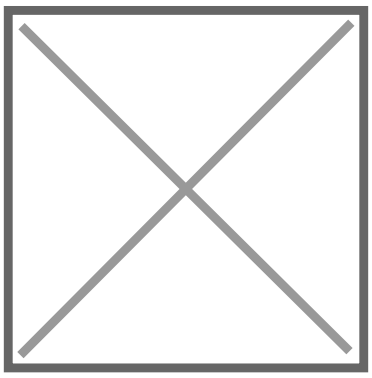

LEARN BY PLAYING

MEDELI MZ520 is an entry-level digital drum kit and has an ideal profile for those who want to learn to play using internal technological resources such as the Smart Coach and songs. Comparing this digital drum kit with other similar products in the same price range it can be seen that it is unique in offering an educational approach to the product thus attracting the attention of students and teachers.

TWO-ZONE MESH-TYPE SNARE DRUM

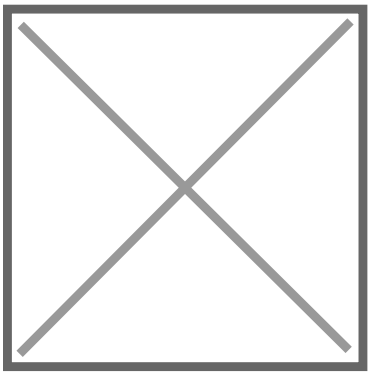

Regardless of the execution of rolled-type hits or hits on pads and, thanks to the recognition of dynamics, the MZ520 digital drum kit allows you to appreciate the delicate nuances and natural sounds, replicating the unique characteristics of an acoustic drum thanks also to the 8" mesch-type snare drum.
