T-PLX 1000 NSE - FLIGHTCASE PIONEER PLX-1000

0030103136

Zomo presents a professional and unique flightcase, the Zomo T-PLX 1000 NSE! The stylish black NSE design (NSE = NIGHT STYLE EDITION) makes this case really stand out from others. The Zomo T-PLX 1000 NSE is the perfect solution for carrying your Pioneer PLX-1000. This modern black NSE Design from Zomo features a convenient carrying handle and can be easily opened and closed with two high quality butterfly catches. The extremely robust casing is made of high quality 9mm thick laminated plywood. This makes the Zomo T-PLX 1000 NSE extremely stable and resistant to help protect your DJ equipment against knocks, scratches and other accidental damage. The massive aluminum profiles and rounded edges in a cool black finish are virtually indestructible. The removable lid can also be used as a base. This Zomo flightcase offers a high specification combined with a stunning appearance and is a real eye-catcher at any event. Sheer genius and totally cool! It´s Zomo! **Any other illustrated or listed devices are not included. These are available separately in our shop.
