DELUXE SERIES STRATOCASTER® HSH ALDER BODY 2 POINT BRIDGE MOUNT, BLACK

Crafted at our Ensenada, Mexico, manufacturing facility, this genuine Fender Deluxe Series Stratocaster® guitar body is routed for an HSH pickup configuration and is pre-drilled for a 2-point tremolo bridge with 2.22" wide spacing. Featuring a contoured neck heel for easy access to the upper frets. It's topped with a gloss polyester finish for added durability on any stage.

0997103706

This replacement body is for a Fender or Squier® by Fender guitar.
