

TB-2-1

BRASS TIMBALES SET WITH COWBELL AND STAND

The timbale is a traditional instrument of latin music. Built in steel, it consist in two shells of different diameter without resonant head and can be used stand-alone or in addition to a drumkit. Peace set TB-2-1 is a set consisting of two brass shells. Brass offers a much warmer sound compared with steel. A sturdy stand and one cowbell to add variation and color to your performance, together with a pair of stick complete a full package.
