XDJ-AERO - FLIGHTBAG PIONEER XDJ-AERO

The Pioneer XDJ-Aero MIDI DJ Controller specifically matches to the Zomo FlightBag XDJ-Aero, which provides excellent protection and serves generous features for your equipment. This perfect combination of DJ-Bag and Flightcase has pratical advantages lika a comfortable shoulder belt which is adjustable in length or the convenient outside compartments that offer plenty of space for any kind of accessories and small items. These advantages are perfectly combined with the stability of a DJ Flightcase. A very solid metal frame keeps the DJ bags shape. This is the guarantee for a long life of DJ FlightBags. Moreover, the Pioneer XDJ-Aero DJ Controller is well protected. Zomo FlightBags are an ideal completion to your valuable equipment and always ensure an imposing appearance. The additional pocket for the laptop and three outside pockets provide plenty of extra storage space for cables, CDs, external sound cards or other accessories. The Zomo FlightBag XDJ-Aero for the Pioneer DJ Controller is embedded securely and protected by the first-class interior stuffing from damage and scratches. Sheer genius and totally cool! It's Zomo! ** The illustrated or mentioned devices are not included in delivery.
