STANDARD SERIES PRECISION BASS® NECK 20 MEDIUM JUMBO FRETS PAU FERRO

Crafted at our Ensenada, Mexico manufacturing facility, this genuine Fender® Precision Bass® neck features a comfortable "C"-shaped profile and 9.5"-radius pau ferro fingerboard with 20 medium jumbo frets.

0996103921

The synthetic bone nut is pre-slotted with "pilot" grooves for accurate spacing when filing the final string slots. This replacement neck is the perfect way to give your P Bass® authentic Fender feel.
