RECORDCASE SP-110 - SILVER

The Zomo Recordcase SP-110 is a very solid quality case which impresses by its generous volume. In this Recordcase you can store about 100 LPs which can easily be splitted into the two halves because of the oblique 50/50 divide. Because of the slanted splitting the records can be easily found and are ideal protected from the back. Sheer genius and totally cool! It's Zomo!
