Fender Deluxe Series cables carry the highest quality materials and braided shielding to deliver flagship durability, conductance and transparency. Our top-of-the-line cables sport custom molded ends with strain relief under the housing—plus 24K gold-plated connectors that won't tarnish or degrade your sound over time. These cables use a very quiet braided shielding that is engineered to maximize the purity of your tone, and they're protected by a soft-woven yet rugged tweed jacket that provides ultimate protection with classic Fender style. Available in 6", 1', 3', 5', 10', 15' (4,5 m) , 18.6' (5,5 m) and 25' (7,5 m) lengths.
