RACK 102 19* NSE

The Zomo Rack 102 is a very solid rack case for 19” DJ-Equipment with enough space for units with at least 12 HE height. It can be built in 2 items vertically with 1U or 1 item with 2U – e.g. a Double-CD-Player or an amplifier. Horizontally there is space for units with 10U and for a better ovwerview it´s slanted! By the very usefull door on the back you have always a very easy access to all cable connections and configurations. All-in-All a very solid and compact housing for the use as a mobile disco. Sheer genius and totally cool! It´s Zomo!
