CM-C56T-K

6” CEILING LOUDSPEAKER

The CM-C56T draw on Pioneer Pro Audio’s heritage of making dynamic club speakers and enable the brand to provide turnkey sound systems that can save space, complement interior design, and deliver outstanding sound quality in any venue, no matter its layout.

The CM-C56T offers clear sound with uniform spatial coverage. It’s versatile, easy to install and it can blend seamlessly into the aesthetic design of any room.
