# RECORDCASE MP-100 V.2 - SILVER

The Zomo Recordcase MP-100 V.2 is a very solid quality case which impresses by its generous volume. In this Recordcase you can store about 100 LPs which can easily be splitted into the two halves because of the 50/50 divide. This Case is a classic and one of the most selling cases since years. Due to the ergonomic spiral handle the MP-100 V.2 can be carried really comforatable. The straight design doesn´t need to be explained! Sheer genius and totally cool! It´s Zomo!
