DELUXE SERIES TELECASTER® SSH ALDER BODY MODERN BRIDGE MOUNT, CANDY APPLE RED

Crafted at our Ensenada, Mexico, manufacturing facility, this genuine Fender Deluxe Series Telecaster® guitar body is routed for an SSH pickup configuration and is pre-drilled for a bridge with 2.22" wide spacing. Featuring a contoured neck heel for easy access to the upper frets. It's topped with a gloss polyester finish for added durability on any stage.

0997500709

This replacement body is for a Fender or Squier® by Fender guitar.
