ZOMO FLIGHTCASE RANE PERFORMER NSE

030103518

With the Zomo Flightcase Rane Performer, you get a custom-made flight case designed specifically for the Rane Performer Controller. The Zomo Flightcase Rane Performer NSE is part of the exclusive NSE (Night Style Edition) collection, known for its aesthetic appeal and exceptional durability. It's not just a case but a statement – a statement of quality, design, and function.

Made from sturdy, laminated 9mm plywood, this case is built to withstand the rigors of life on and off the stage. It is reinforced with wide, black-painted aluminum profiles and extra massive ball corners, giving it high resilience. Whether you're on the road or in the air, the Zomo Flightcase Rane Performer is ready to protect your valuable equipment.

The inside of the case is lined with high-quality padding to protect your controller from scratches, defects, or other damage. This ensures you are always safe from spilled drinks or unexpected drops.

But the Zomo Flightcase Rane Performer is not only practical – it also looks fantastic. With its sleek, advanced design in the deep black NSE Edition, this case is a real eye-catcher. The front panel can be easily and quickly removed, allowing you to access your controller's inputs even when the case is closed.

The Zomo Flightcase Rane Performer is not just a case – it is an investment in the protection of your equipment. With its elegant design and robust construction, it is the perfect addition for any DJ who does not want to compromise on quality and style.
