DJ BOOK - WHITE

The Zomo DJ-Book is easily opened with a zipper. Thanks to the clearly sorted and interchangeable inserts in the metal ring binder, the desired CD's can be quickly found. Due to the metal ring binder system you are able to exchange the sleeves within seconds. There are no pockets on the outside of the case making the DJ-Book as slim as possible. That allows you to transport the DJ-Book even more comfortably in the Zomo DJ-Trolley. Sheer genius and totally cool! It's Zomo!
