

EXP220

COATED BASS GUITAR STRINGS, SUPER LIGHT, 40-95, LONG SCALE

D'Addario EXPs are the most natural-sounding, longest-lasting coated strings available. EXP Coated Technology starts with the highest quality wrap wire materials, precision drawn and micro coated on our advanced proprietary machinery. Strings are then wound normally, delivering tone and feel identical to D'Addario's world renowned XL line of bass strings, with a minimum of 4 times more life. You won't believe they are coated! EXP220 delivers all the tone and performance of our popular EXL220 bass set, offering the ideal combination of bright, booming tone and light, comfortable feel with 4 times more string life. Fits long scale basses with a string scale length of up to 36 1/4 inches.
