5-POSITION STRATOCASTER®/TELECASTER® "SUPER SWITCH" PICKUP SELECTOR

Whether replacing a worn switch or just adding tonal variety to your favorite instrument, Fender® offers high-quality switches with knobs and mounting hardware.

0992251000

Package includes one white Strat® switch tip and one black barrel-style Tele® switch tip. Used on American made Fat & Double Fat Stratocaster® and the Nashville Telecaster®, this switch is great for 4-conductor wired pickups.
